Dear Las Vegas Chapter of American Marketing Association,

We are absolutely thrilled to have your support! Thank you for your generous gift of \$1,350.00 on 12/13/2022. Your willingness to help sick children and their families reach the best medical care for their illness makes all the difference as they travel on their journey to health.

Thank you for being a part of the Miracle Flights family! Your support means that you understand how difficult it can be for families to travel and get the right medical care, and you're taking action to help. Instead of focusing on paying for their travel costs, because of your support, they can now focus on getting healthy.

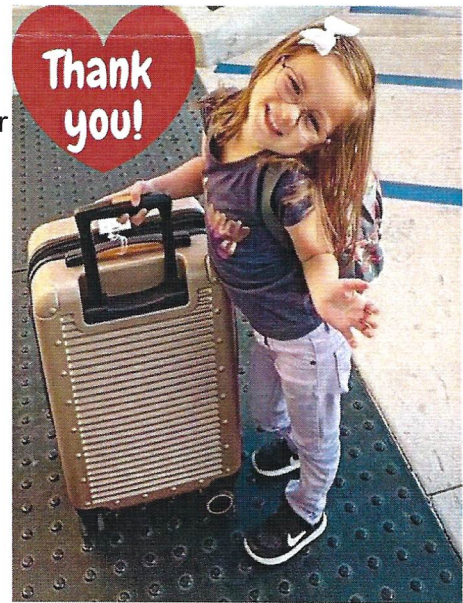

Here at Miracle Flights, our goal is to assist families in need of air transportation to reach specialized medical care, as many times as needed.

Because of **YOU** families across the nation have access to lifesaving medical care. Thank you for providing hope to families all across the country for a happier, healthier future. You're a lifesaver and none of this is possible without you!

Endless Gratitude,

Melanie Marcano
